

PUBLIC NOTICE
THE MARYLAND DEPARTMENT OF NATURAL RESOURCES
FISHING & BOATING SERVICES
CHESAPEAKE BAY WESTERN SHORE – Construction Zone around the Bay Bridge

The Secretary of Natural Resources proposes to amend Regulation .02 under COMAR 08.18.07 Chesapeake Bay. The purpose of this action is to establish a 6-knot speed limit for the area surrounding the construction site of the Maryland Transportation Authority’s Eastbound Bay Bridge Deck Replacement Project on the Western Shore of the Chesapeake Bay. Comments concerning this regulation will be accepted through August 14, 2023. Please visit the Boating Regulations webpage for all information at https://dnr.maryland.gov/boating/Pages/regulations/changes_boating.aspx#cbwscz.

Josh Kurtz

Secretary of Natural Resources
