TEACHERS ON THE ESTUARY

Dover, Delaware

MAY 18-20, 2018

<http://de.gov/dnerrpd>

Coordinated by the following:
Delaware Department of Natural Resources and Environmental Control
The Delaware Coastal Programs
Delaware National Estuarine Research Reserve

Registration: <https://goo.gl/forms/RUBPlj7KpPIodduI>

WHO: Informal and formal educators who want to know more about the horseshoe crab/shorebird phenomenon and management controversy

LEARN: Become an "expert" in horseshoe crab anatomy, shorebird connections, human uses of the crab, and the management issues and solutions.

CONNECT: Interact with leading HSC and shorebird biologists, fisheries managers, commercial fisherman, biomedical experts, and coastal educators who work first hand with the horseshoe crab phenomena.

COST: The Workshop is FREE, including all meals and snacks. A \$50 deposit check is required for all workshop attendees, the deposit check will be returned at the end of the workshop upon completion of the evaluation.

REGISTER: Complete the online form and mail your deposit check made out to the State of Delaware to:
Delaware National Estuarine Research Reserve,
ATTN: Maggie Pletta,
818 Kitts Hummock Road
Dover, DE 19901

For more information contact:
Maggie Pletta, Education Coordinator
