  - Principal
  - Underwood & Associates
- **Dr. Rob Young**
  - Director, Program for the Study of Developed Shoreline
  - West Carolina University
- **Joe Rieger**
  - Deputy Director, Restoration
  - Elizabeth River Project

## Objectives

**“Engage in a provocative dialogue with the panel and the whole community of practitioners to understand differing perspectives on Living Shoreline implementation practices”.**

## Format

- Introduction
  - Speaker bio
  - Where do you think we should be moving with protecting/restoring our shorelines?
- Framework
  - Open, honest, and civil discussion
  - Multi-directional
- Questions
- Wrap-up

Remember.....

Discussion topic is **Living Shoreline;**

...not healthcare!!!
