DOG TRAINING

Indian Springs WMA has a designated dog training area located adjacent to Blairs Valley Road. This area is indicated on the map above and by signs in the area. Use of the dog training area is allowed year-round.

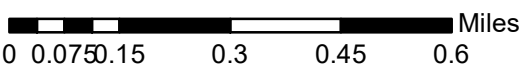

- If releasing live birds a Retriever Dog Training Permit is required.
- A current valid MD Hunting License must be in possession while using the area.

NON-HUNTING USERS

Non-hunting users are permitted on the Indian Springs WMA year-round. No permit or reservation is needed. This area is open for hiking, fishing, bird watching, and biking on established trails.

- Dogs must be leashed from April 15 through August 15 unless in the designated dog training area.

For questions or comments, please contact the Indian Springs Office at 301-842-2702.
